# **NEBRASKA SENIOR FARMERS' MARKET NUTRITION PROGRAM AND WOMEN INFANTS AND CHILDREN FARMERS' MARKET NUTRITION PROGRAM HANDBOOK**

The Senior Farmers' Market Nutrition Program (SFMNP) and Women, Infants and Children Farmers' Market Nutrition Program (WIC FMNP) are Congressionally authorized Programs that are administered by the Nebraska Department of Agriculture (NDA) and the Nebraska Department of Health and Human Services (DHHS). They are jointly funded by the State of Nebraska and the U.S. Department of Agriculture (USDA), Food and Nutrition Service (FNS). Both Programs serve the dual purposes of providing fresh, nutritious, unprepared, locally grown foods for human consumption to nutritionally at risk, low-income seniors, women and children and stimulating the demand for produce sold at NDA certified produce stands.

This handbook sets forth the terms and conditions of the 2014 SFMNP and WIC FMNP. Farmers who have participated in an interactive training session and entered into a written agreement with NDA within the past three (3) years are automatically enrolled to participate in both Programs. Agreements are valid for three (3) years and will expire at the end of the 2016 Program year. Neither the farmer nor NDA has an obligation to renew their Agreement and either party may terminate it for cause after providing advance written notification to the other party. If there are any changes to either Program over the course of the three-year certification period, a letter and an *SFMNP and WIC FMNP Handbook* will be sent to the certified farmers noting those changes.

SFMNP and WIC FMNP are similar in nature and operate the same way. Therefore, Program rules including training, certification, eligible and ineligible food choices (except honey), proper coupon redemption procedures, certified vendor identification, guidelines for storing coupons safely, equitable treatment of participants, guidelines for canceling coupons, Civil Rights compliance, sanctions, disqualifications, and appeal processes are identical to one another. Certification automatically allows farmers to accept any SFMNP or WIC FMNP coupons that are properly presented in exchange for eligible foods. Certification for both Programs will expire at the end of the certification period.

Certified farmers are guaranteed payment, so long as they comply with Program rules. Certified farmers who handle SFMNP and WIC FMNP coupon transactions must follow certain federal and state regulations. SFMNP and WIC FMNP certified farmers are held accountable for understanding all procedures and rules of both Programs and are responsible for training all other persons who will be acting on their

behalf at their farmstand(s). Failure to comply with these rules will result in non-payment, suspension, and/or disqualification from both Programs. Compliance with the following rules is required by all Nebraska SFMNP and WIC FMNP certified farmers.

- **Eligible Food Choices.** Only fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs, (and honey for SFMNP) for human consumption may be purchased with SFMNP and WIC FMNP coupons. Honey is not an eligible food under WIC FMNP. Eligible foods may not be processed or prepared beyond their natural state except for the usual harvesting and cleaning processes. The term “locally grown” means product grown either in Nebraska or in an adjacent county to Nebraska’s border. There are no exceptions. Certified SFMNP and WIC FMNP farmers must provide eligible foods at the current price or less than the current price charged to other customers. For a complete list of eligible foods, please refer to the part of this document entitled, “Eligible Food List.”
- **Ineligible Food Choices.** Prohibited purchases with SFMNP and WIC FMNP coupons include, but may not be limited to:
  1. Grocery store purchases;
  2. Non-locally grown fresh fruits, vegetables, herbs, and/or honey;
  3. Whipped, sugared, creamed, dried, flavored, fruited, pasteurized, or infused honey;
  4. Processed fruit or vegetable products, such as jams and jellies, popcorn, juices and ciders, and baked goods of any kind, including fruit pies and breads; and
  5. A partial list of other ineligible items include dried fruits or vegetables, prunes (dried plums), raisins (dried grapes), sun-dried tomatoes, and dried chili peppers; potted fruit or vegetable plants; potted or dried herbs; wild rice; nuts of any kind (even raw); maple syrup; cider; seeds; eggs; meat; cheese; seafood; and (under WIC FMNP only, honey).
- **Valid SFMNP and WIC FMNP Coupons.** SFMNP and WIC FMNP coupons may only be accepted for the purchase of eligible foods. SFMNP and WIC FMNP participants or their authorized representative (or proxy) may purchase eligible items

with their coupons. Coupons with missing signatures will not be accepted.

- **Void Dates.** Certified farmers must adhere to the following dates:
  1. SFMNP and WIC FMNP coupons can be accepted from SFMNP and WIC FMNP participants or their authorized representative (proxy) on or before the last valid date (October 31) of each Program year. Coupons cannot be accepted after this time. Coupons from previous years are invalid and cannot be used in exchange for produce.
  2. Certified farmers must deposit all SFMNP and WIC FMNP coupons accepted during that Program season on or prior to November 30 in order to receive coupon redemption money.
- **Certified Farmer Identification.** While participating in SFMNP and WIC FMNP, certified farmers are responsible for visibly posting their SFMNP/WIC FMNP certified farmer ID stall sign for the current Program year. This sign is used to identify farmers who accept SFMNP and WIC FMNP coupons. Signs are provided by NDA. If an ID stall sign is lost or severely damaged, farmers are asked to immediately report this to NDA, so a replacement may be reissued. Certified farmers are also responsible for appropriately entering their farmer's Program ID number on the face of each SFMNP and WIC FMNP coupon they deposit. The certification ID number may be entered either at the time of the sales transaction or at a later date, just so long as it is entered prior to the time the coupon is deposited.

The farmers' market(s) farmers participate in and the hours of operation must be posted on their certified farmer ID stall sign. Lines will be provided on the ID stall sign that will allow them to write down the market(s) they participate in and the hours of operation for each one.

- **Storing SFMNP and WIC FMNP Coupons.** Certified farmers will be responsible for safely storing coupons in a secure location. A locked box or cash register is needed in order to meet this requirement.
- **Canceling SFMNP and WIC FMNP Coupons.** Farmers are also responsible for canceling SFMNP and WIC FMNP coupons. There are two options for canceling the coupons. The first option

is handwriting the farmer identification number on the coupon. The second option is rubber stamping the farmer identification number on the coupon. Rubber stamps are available from NDA. In either of these options, the farmer identification number must legibly appear on the face of the coupon. A farmer's individual vendor number will be the same for both Programs.

- **Payment.** SFMNP and WIC FMNP coupons may be deposited at any financial institution (bank, savings and loan, or credit union) by appropriately endorsing each coupon. A coupon presented for payment in which the \$3 amount payable has been altered will not be honored by the Program's bank. Each transacted SFMNP and WIC FMNP coupon must contain a valid farmer identification number and shall be batched for reimbursement under that identifier. This is required in order for the coupon to be valid and available for redemption. A coupon will be void and not paid, if the valid farmer certification ID number is not appropriately entered on the face of the coupon, is unreadable, or is missing. The coupon will also be void and not paid, if the participant's signature (or authorized representative's signature) on the face of the coupon is missing, is not endorsed, or is deposited after November 30 of the current Program year.

A coupon may be resubmitted for payment in the event that the farmer signature or farmer certification identification error can be properly and legally corrected by the farmer. NDA may deny the farmer payment for improperly redeemed SFMNP or WIC FMNP coupons and may demand refunds for payments already made on improperly redeemed coupons.

- **No Cash, Change, Credits, or Refunds.** SFMNP and WIC FMNP coupons may never be exchanged for cash. Change or credit may never be given to a customer using SFMNP or WIC FMNP coupons. SFMNP and WIC FMNP participants may only receive fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs, (and/or honey for SFMNP) for human consumption in exchange for SFMNP or WIC FMNP coupons. Credit or refunds may not be issued on items returned that were purchased with SFMNP or WIC FMNP coupons. Farmers are prohibited from cashing coupons accepted by non-certified farmers.
- **Nondiscrimination.** Certified farmers participating in both Programs may not refuse to accept properly presented SFMNP or WIC FMNP coupons in exchange for fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs (and/or honey

for SFMNP) for human consumption. Farmers must agree to establish and maintain nondiscriminatory sales transaction procedures including, but not limited to:

1. Acceptance of SFMNP and WIC FMNP coupons in the same manner as required of all customers using SFMNP and WIC FMNP coupons;
2. Providing equitable treatment to SFMNP and WIC FMNP participants;
3. Providing eligible foods to SFMNP and WIC FMNP participants that will be of the same quality and cost as that sold to other customers;
4. Charging SFMNP and WIC FMNP participant(s) or their designated proxy a price for an item that is not greater than that charged to non-participants;
5. Will not charge participants for item(s) not received;
6. Offering SFMNP and WIC FMNP participant(s) the same courtesies and providing equal treatment to them as they would to other customers; and
7. Accepting properly presented SFMNP and WIC FMNP coupon(s) in exchange for fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs, (and honey for SFMNP) for human consumption.

The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, found online at [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html) or at any USDA office, or call (866) 632-9992 to request the form. You

may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail to U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or e-mail at [program.intake@usda.gov](mailto:program.intake@usda.gov).

Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339; or (800) 845-6136 (Spanish).

USDA is an equal opportunity provider and employer.

- **Civil Rights Compliance.** The State agencies warrant and assure that they will comply, as applicable to it, with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. 1681, et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Age Discrimination Act of 1975 (42 U.S.C. 610, et seq.), all provision required by implementing regulations of the Department of Agriculture, Department of Justice Enforcement Guidelines, and FNS directives and guidelines. They also will comply with the Americans with Disabilities Act of 1990, to the effect that no person shall, on the grounds of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, or sexual orientation be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination under any program or activity for which the agency receives federal financial assistance.

Not all prohibited bases will apply to all programs and/or employment activities.

The State will comply with all local, state, and federal statutes regarding Civil Rights laws and equal opportunity employment.

No person shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination under any program or activity for which the agency receives federal financial assistance.

Farmers and the State agencies shall comply with all local, State, and Federal statutes regarding Civil Rights laws and equal opportunity employment. Farmers and their market staff must know where to mail a Civil Rights complaint. Complaints will be

accepted orally, written, or anonymously. Any person alleging discrimination on the basis of a protected class can file a complaint within 180 days of the alleged discriminatory action.

- **Other Requirements.** Certified SFMNP and WIC FMNP farmers also agree to the following:
  1. Provide information as NDA may require for its periodic reports to the USDA's Food and Nutrition Service;
  2. Accept training on SFMNP and WIC FMNP procedures and provide training to any employees with SFMNP and WIC FMNP responsibilities for such procedures;
  3. Agree to be monitored for compliance with SFMNP and WIC FMNP requirements, including both overt and covert monitoring;
  4. Be held accountable for actions of the farmer and his/her employees in the provision of eligible foods and related activities;
  5. Comply with the nondiscrimination provisions of USDA regulations;
  6. Notify NDA, if the farmer ceases operation prior to the end of the authorization period;
  7. Pay NDA for any coupons transacted in violation of the farmer agreement;
  8. Will not collect sales tax on SFMNP or WIC FMNP coupon purchases;
  9. Will not seek restitution from SFMNP or WIC FMNP participants for coupons not paid;
  10. Will not issue cash change for purchases that are in an amount less than the value of the SFMNP or WIC FMNP coupon(s); and
  11. Will not commit fraud or engage in other illegal activity. If so, the farmer is liable to prosecution under applicable Federal, State, or local laws.
- **Program Violations.** Farmers who do not comply with Program rules will receive written notification from NDA. Noncompliance

with SFMNP and WIC FMNP rules and regulations will result in a violation. The level of sanction farmers receive will depend upon the severity of the violation. Failure to adhere to Program regulations may result in non-payment, suspension, or even disqualification from both Programs. On the next page there is a chart showing some of the violations of both Programs and the sanctions imposed as a result. The violations and respective sanctions for SFMNP and WIC FMNP are identical.

Violation	Sanction

<ul style="list-style-type: none"> <li>• Commit fraud or engage in other illegal activity.</li> </ul>	<p>Disqualification without reinstatement and liable to prosecution under applicable Federal, State, or local laws.</p>

- **Suspensions.** If a certified farmer is suspended, the suspension period will become effective from the date of receipt of certified mail notification. During the suspension time, the farmer's certified SFMNP and WIC FMNP farmer identification number will become temporarily disabled, preventing the farmer from redeeming SFMNP and WIC FMNP coupons. During the suspension period, the farmer must refrain from participation in both Programs. Suspension in SFMNP will result in an automatic suspension from WIC FMNP and vice versa.

The suspension penalty will be in effect for a maximum of thirty (30) days, during which time the farmer may appeal the suspension notice. If no appeal is made, the farmer will be automatically disqualified at the conclusion of the suspension period. If the incident leading to the suspension is successfully challenged by the farmer, the suspension will be immediately lifted.

- **Disqualification.** Disqualification will follow the suspension period. Disqualified farmers may not continue participating in either Program and are required to return the farmer certification ID stall sign to NDA within thirty (30) days of receipt of the disqualification notice. Failure to comply with this requirement may result in compromising the farmer's participation in both Programs in the future. In the event a farmer is disqualified, the certified farmer identification number will become permanently disabled preventing the farmer from redeeming SFMNP and WIC FMNP coupons.

If the farmer wishes to continue participation in both Programs, he/she must attend a training session hosted by NDA the following year. This will allow the farmer to re-enroll in both Programs, as a certified farmer. If he/she is recertified, he/she will be on probationary status for one full season. As a result, the farmer will receive either an overt or covert on-site monitoring investigation during the year to ensure he/she is complying with SFMNP and WIC FMNP rules and regulations.

- **Appeals.** Farmers who wish to appeal a decision, which resulted in a suspension or disqualification, may make a written request for administrative appeal to NDA. He/she may also appeal the denial to participate in SFMNP and WIC FMNP and any action imposing a sanction. However, he/she must make this appeal within thirty (30) days of the date of receipt of certified mail notification.

NDA will set a date for the hearing fifteen (15) days after the appeal. Hearings will be conducted by telephone or in person in Lincoln, Nebraska, at the Nebraska State Office Building or at another suitable location, as determined by NDA. If the farmer is requesting a hearing, he/she will receive written notice of the time and the place of the hearing at least thirty (30) days prior to the date of the hearing. The appellant will have one opportunity to reschedule the hearing date. He/she is also given an opportunity to examine, prior to and during the decision, the documents and records that support the decision under appeal.

At a minimum, the farmer, or his/her representative, will have the opportunity to:

1. Present their case;
2. Question or disprove any testimony or evidence, including an opportunity to confront and cross-examine adverse witnesses;
3. Be represented by counsel;
4. Bring witnesses;
5. Review the case record prior to the hearing;
6. Submit evidence to establish all pertinent facts and circumstances in the case; and
7. Advance arguments without undue interference.

An adverse action may, at NDA's option, be postponed until a decision in the appeal is rendered. In a case where an adverse action affects the farmer, a postponement is appropriate where NDA finds that participants would be unduly inconvenienced by the adverse action. In addition, NDA may determine other relevant criteria to be considered in deciding whether or not to postpone an adverse action.

The NDA hearing procedure shall provide the farmer with written notification of the adverse action, the cause(s) for the action, and the effective date of the action, including NDA's determination of whether the action shall be postponed under Section 249.16 (c) of the USDA, FNS's SFMNP or Section 248.16 (b) of the WIC FMNP Regulations, if it is appealed, and the opportunity for a fair hearing. Such notification will be provided fifteen (15) days

before the effective date of the action. The hearing official will be an impartial decision maker.

The decision of the hearing official is given, in writing, to the farmer within fifteen (15) days of the date of the hearing, or within sixty (60) days from the date of receipt of the request for a hearing by NDA.

All records of the hearing and the decision are available for public inspection for a period of three (3) years. If dissatisfied with the hearing decision, the farmer may appeal to the State Director of Agriculture for further State level review of the decision and a possible rehearing. This appeal must be made within fifteen (15) days of the contested decision of the previous hearing. The same procedures as outlined above are followed.

The State of Nebraska shall follow the Administrative Procedure Act, Neb. Rev. Stat. §§84-901 through 84-920, to allow for due process to local agencies, certified farmers, and participants.

Expiration of the Agreement with the farmer and claims actions under the SFMNP and WIC FMNP rules and regulations are not appealable.

If the farmer appeals an adverse action (and is permitted to continue in SFMNP and WIC FMNP while his/her appeal is pending), he/she will continue to be responsible for compliance with the terms of the written agreement.

The farmer is required to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the state of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1998, U.S.C. 1324a, known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security, or other federal agency authorized to verify the work eligibility status of a newly hired employee.
